

An outline for your CE application should have time, indicated in minutes, beside each talking point. The total number of minutes should correspond to the number of CEs for the session. 1 CE = 1 Contact hour, and therefore the outline for any session requesting 1 CE should add up to 60 minutes. Reference the below as an example of a session requesting 1 CE. Please note that Q&A at the end of a presentation cannot exceed 10 minutes.
